

Images are concept renders. Each finished piece shows its own grain.

WALL SCONCES

Otway

A curved timber shell floating off a satin aluminium wall disc, hiding the globe and washing light up and down the wall.

Otway is a single curved timber wrap, open at the top and bottom, that shields the globe completely. The light escapes above and below and grazes the wall, so a run of them along a hallway or verandah draws soft bands of light. The curve shows off the grain as it bends around the light. Otway is rated IP44, so it also suits bathrooms and covered verandahs and outdoor walls.

Sizes and prices (AUD, incl. GST)

320 mm	320 mm high, 240 mm wide, 130 mm deep	$780

Timbers

- Messmate
- Spotted gum
- Marri
- Tasmanian blackwood (+$90)

Specifications

Materials	Curved solid timber shell, oil finish; bead-blasted aluminium wall disc
Light source	E27 LED globe included
Output	806 lumens
Colour temperature	2700K
CRI	90+
Dimming	Trailing-edge dimmer
Mounting	Hard-wired, standard wall box
IP rating	IP44, suitable for bathrooms (outside shower zones) and covered outdoor walls
Lead time	Made to order, 4 to 6 weeks

Specifications are indicative and confirmed with your order. Hard-wired lights must be installed by a licensed electrician.
